Open Help Workshop

There will be NO on-site Open Help Workshops during the month of June 2020. Please check our website (@ www.raleighseniorteched.org/schedule/) for details on subsequent months' schedules. Thank you for your cooperation during this challenging period.

Classes and Seminars　　　Registration Required

All classes will be hosted on the **Zoom** app platform. Courses are based on Microsoft Windows 10 operating system, unless noted otherwise. Sessions are two hours in length unless noted otherwise.

PC System　　　Windows Technology

Windows Backup　　　　　　　　**(Advanced Level)**　　　**Fee: $10.00**
Seminar　Pre-Req: *Going Further with Your PC* or equivalent.　　　**Tom Ogburn**
Learn the importance of backing up your computer onto various storage devices. Students will learn how to automate regularly scheduled computer backups.   Several methods of backing up data will be discussed.

Zoom	June 12, 2020	Friday	1:30 – 3:30 pm

Apps

Google – More Than a Search Engine　　　**(Intermediate Level)**　　　**Fee: $10.00**
Seminar　Pre-Req: experience with internet browsing　　　**Alice Jones**
When you have a question about something or want to learn more about it, you might say, "I'll Google it". But there's more to Google than just Search capabilities - this seminar will introduce you to many of the other apps and functions that are part of Google.

Zoom	June 11, 2020	Thursday	1:30 – 3:30 pm

Using the Internet:

Browsers: Using Chrome　　　　　　　**(Intermediate Level)**　　　**Fee: $15.00**
2 sessions　　Pre-Req: *Getting Started* or equivalent.　　　**Henry Spencer**
This class will teach students to install and use the popular and FREE internet browser Google Chrome.

Zoom – Session 1	June 5, 2020	Friday &	10 am – Noon
Zoom – Session 2	June 8, 2020	Monday	10 am - Noon

Cloud Computing - Introduction   **(Advanced Level)**   **Fee: $10.00**
1 session   Pre-Req: None.   **Tom Ogburn**
Introduction to Cloud Computing is an overview of the basics of using the "Cloud" for data storage, document backup and utilizing cloud-based applications. Will discuss cloud vendor services like Microsoft's OneDrive, Google Drive, Dropbox, etc.

Zoom	June 3, 2020	Wednesday	10 am - Noon

Travel Planning Using the Internet   **(Basic Level)**   **Fee: $10.00**
Seminar   Pre-Req: None   **Alice Jones**
Learn the basics of how to use the internet to plan your trips, vacations, and more - explore travel sites, research specialty trips, make travel arrangements, explore tourist attractions.

Zoom	June 4, 2020	Thursday	1:30 – 3:30 pm

Other Technology

iOS #6: iPhone/iPad: Getting to Know Siri   **Duane Reaugh**   **Fee: $10.00**
Seminar.   Pre-Req: Intermediate device user
Siri is an Apple iPhone and iPad personal assistant app. It uses natural language to answer questions, make recommendations, and send requests to services such as OpenTable, Apple Maps, Settings and more. This seminar will describe this technology and how to best use it.

Zoom	June 2, 2020	Tuesday	10 am - Noon

iOS #7: Taking, Editing & Sharing your iPhone/iPad Photos   **Duane Reaugh**   **Fee: $10.00**
Seminar. Pre-Req: Either iOS #1 or iOS #2 classes, or intermediate iOS user
Over 80% of all photos are taken on mobile devices. Most of those photos are still only on the device that was used to take them. This workshop will discuss the best way to take, edit and share those digital photos from your iPad/iPhone. Bring your iPad/iPhone and learn how to take, edit and share great photos.

Zoom	June 9, 2020	Tuesday	10 am - Noon

Simplifying 5G & IoT   **(Intermediate Level)**   **Fee: $10.00**
Seminar – 2.5 hr. Pre-Req. None.   **Tom Ogburn**
Have you seen the TV ads for 5G and wondered what they were talking about? They tell us 5G is coming -- we better get ready. What are we supposed to do? How about IoT? Haven't heard much about that? It is a very important part of new technology coming with 5G. This seminar will leave you with a new appreciation of technology evolution over the next 5-10 years and how our technology lives may change.

Zoom	June 18, 2020	Thursday	10 am - Noon

Chromebook – Introduction   (**Basic**)   **Fee: $10.00**
Seminar Pre-Req: None.   **Henry Spencer**
Chromebooks are a newer choice for users who do not need all of the functionality of a PC or Mac. If you just use a computer to surf the Web, do email, stream services such as Netflix, do not need desktop software that you install on a computer such as Microsoft Office, and you do not need to store a lot of files on your computer, a Chromebook is a good choice for you. Chromebooks are less expensive than PCs and Macs, easy to set up and use, and start up and shut down in seconds. They are very secure with built-in security, so you won't have to worry about getting viruses. This seminar will discuss the basics of how to buy and use a Chromebook and prepare users for a simpler, less expensive computing experience.

Zoom	June 12, 2020	Friday	10 am - Noon

History of Information and Computing   **(Intermediate Level)**   **Fee: $10.00**
Seminar   Pre-Req. None   **Tom Ogburn**
Today we take all our information technology processing abilities and instant access to information for granted.   This ability actually has evolved over thousands of years. Papyrus and ink were discovered around 2500 BC and the next 4500 years is packed full of many exciting inventions, machines, processes, and technologies that brings us to today. In this seminar you can take that exciting 4500 year trip in two hours. And develop a deeper appreciation of what we have today.

Zoom	June 22, 2020	Monday	10 am - Noon

<u>GENEALOGY COURSES</u>

Ancestry.com #1: Genealogy Overview   **(Intermediate Level)**   **Fee: $10.00**
Seminar   Pre-Req: Computer user, some internet browsing experience.   **Henry Spencer**
This seminar will provide an overview of the genealogy hobby including DNA testing and building a family tree. The instructor will demonstrate using **Ancestry.com**. Q/A included in class.

Zoom	June 16, 2020	Tuesday	10 am - Noon

Ancestry.com #2: Getting Started with Ancestry.com   **(Intermediate Level)**   **Fee: $10.00**
Seminar   Pre-Req: Knowledgeable computer user, internet browsing experience **Henry Spencer**
                                   beginning/casual Ancestry.com user.
This seminar will explain how to create an account with **Ancestry.com** and how to get started building your family tree. It will include overviews of working with Hints ("green leaves") and using the Search feature. The instructor will demonstrate. Q/A included in class.

Zoom	June 19, 2020	Friday	10 am - Noon

Ancestry.com #3: More Topics in Ancestry.com   **(Intermediate Level)**   **Fee: $10.00**
Seminar   Pre-Req: Knowledgeable computer user, internet browsing experience,   **Henry Spencer**
                                   beginning/casual Ancestry.com user.
This seminar will demonstrate more **Ancestry.com** topics building on the information covered in the **Getting Started with Ancestry.com** seminar. It will include demonstrations of working with other genealogy sites including **Find a Grave**. Other miscellaneous topics will be covered such as sharing your tree, working with Settings and the **Ancestry.com** Home screen. The instructor will demonstrate. Q/A included in class.

Zoom	June 23, 2020	Tuesday	10 am - Noon

Ancestry.com #5: Making Sense of Your Ancestry   **(Intermediate Level)**   **Fee: $10.00**
                        DNA Test Results   **Henry Spencer**
Seminar   Pre-Req: Knowledgeable computer user, experienced with internet browsing.
This seminar is intended for students who have had their DNA tested by Ancestry.com. It will benefit students who either have an Ancestry tree linked to their test results, or have just had their DNA test completed and do not yet have a tree. Users without a tree can view their DNA results without having to pay for an Ancestry subscription. Students who already have a tree on Ancestry will already have an account. Subjects of seminar will cover ethnicity results, DNA match lists and techniques to find matched people in those lists. Instructor will demonstrate. Q/A included in class.

Zoom	June 17, 2020	Wednesday	10 am - Noon

LOCATION and INFORMATION
